At the Holly Tree we try wherever possible to use locally sourced and seasonal ingredients. Please when ordering advise your server of any food allergies you may have and feel free to ask your server about any allergens questions you may have. We cook all our meals from fresh so there may be a wait at busy times. We appreciate your patience.

Our local suppliers

- Browns seafood Littlehampton -based next to the river Arun in Littlehampton for over 30, browns supply us with the best quality fresh fish and seafood coming from the world-famous billingsgate market in London as well as local fishing boats that land daily.
- Parker food service- Parkers is a family run business originally based in Barnham but recently moved to ford that has been supplying the local community with the highest quality meats for over 40 years.
- Tracey James Ltd -Tracy James are a family run greengrocers established in Angmering for over 30 years, they supply directly from Covent garden market in London and a range of local growers.
- Northney Dairy – Northney farm based on Hayling island started producing ice cream in 2009.but Tim’s family have been running the dairy farm on the site for generations. Pop along to their tea shop on the farm to see for yourself.
